He's Mine

Swv

He might be doing you
But he's thinkin about me,
So baby think about another lover
And go find another brother.
I know he's my man
He's all in my hands
If feels good when he calls my name
Don't you wish you had the same
Feeling discussed, working your stuff
Till he thinks about mine
Now he's feeling real high
You ask why
Cus' he's mineTell you something
That just ain't cool
Never fall in love with a man
Who don't love you
I wouldn't waste my time telling something wrong
You've been with him one night
And now he's coming home(chorus)
He's mine
You may of had him once
But i got him all the time
(you can't sleep at night)
He's mine
You may of had him once
But i got him all the time
(don't try to dry your eyes)
He's mine
You may of had him once
But i got him all the time
(i got him all the time)Went out on a date
Wasn't out too late
Took you to a room
And you gave it up too soon
Played you like a trick
Cus' you let him hit
Now he's comin home to a lover
That is strong
I got all his love baby don't try to take it

You wanted a piece, you were mistaken
Cus' he belongs to me
Baby can't you seeI tell you something that just ain't cool
Never fall in love with a man
Who don't love you
I wouldn't waste my time
Telling you something wrong
You've been with him one night
And now he's comin home(chorus)
He's mine
You may of had him once
But i got him all the time
(he's mine)
Repeat (3x)We don't have time
Playing these games
You had him once
But it's me on his mind
No need to cry
Go dry your eyes
Get over it
It was only for one night ohhh(chorus)
He's mine
You may have had him once
But i got him all the time ohhh
(he's mine)
Repeat (3x)
