

# Kiss Me, Kill Me

## Mest

One, two, three  
A tragedy that's built on destiny  
It left you with everything  
But blood from the knife  
That I cut your heart out with  
Now relax, close your eyes  
What comes next is the surprise  
This valentine is doomed  
The smell of blood has filled this room  
If I could do it all again  
I would change most every single thing  
I would let you  
Kiss me, kill me  
Your kiss is torture  
But killing me would be too easy  
Our tragedy seems to be killing everything  
It sees like death itself  
This valentine still looms  
In the darkest hour, the killing moon  
If I could do it all again  
I would let you  
Kiss me, kill me  
Your kiss is torture  
But killing me would be too easy  
Kiss me  
(You're all I'm wanting)  
Kill me  
(This feeling's haunting)  
Your kiss is torture  
But killing me would be too easy  
Killing me would be too easy  
Your eyes unwind the tragedy of our lives  
My eyes went blind, believe when I say  
Hell burns bright when this night dies  
Hell burns bright  
Kiss me, kill me  
Your kiss is torture  
But killing me would be too easy  
Kiss me

(You're all I'm wanting)  
Kill me  
(This feeling's haunting)  
Your kiss is torture  
But killing me would be too easy  
Kiss me  
(You're all I'm wanting)  
Kill me  
(This feeling's haunting)  
Your kiss is torture  
But killing me would be too easy  
Killing me would be too easy  
Too easy, too easy, too easy, too easy
