

# Music Is Ruling My World

**Kutiman**

Falling,  
over my head

Falling,  
Over my head

Yes, it's falling  
over my head

Music's ruling my world  
Giving me power wisdom  
Making me love myself (woo-hoo)

Music's ruling my world  
Giving me power, wisdom  
Making me love myself

â€!

Ay!

Fallingâ€!.over my-my-my-my-my head  
Yes, it's falling over my-my-my-my-my head

Falling, over andâ€! oh! Falling, overâ€!andâ€!

Music's ruling my world  
Giving me power wisdom  
Making me love myself

Yes, it's falling.
