

Traveling Alone

Kang Qiao, é,§å»ºæ£Ÿ & å¼µå¼·

Mountains rough this time of year
 â€“Close the highway down
â€“They don't warn the townâ€“â€“And I've been fighting second gear
 â€“For fifteen miles or so
â€“Trying to beat the angry snowâ€“â€“And I know every town worth passing through
 â€“But what good does knowing do
â€“With no one to show it toâ€“â€“And I've grown tired of traveling alone
 â€“Tired of traveling alone
 â€“I've grown tired of traveling alone
â€“Won't you ride with me?â€“â€“I've grown tired of traveling alone
 â€“Tired of traveling alone
 â€“I've grown tired of traveling alone
â€“Won't you ride with me?â€“â€“Won't you ride?
 â€“Won't you ride?â€“â€“I quit talking to myself
 â€“Listening to the radio
 â€“Long, long time ago
 â€“Damn near strangled by my appetite
 â€“Ybor City on a Friday night
â€“Couldn't even stand up right â€“â€“So high the street girls wouldn't take my pay
 â€“They said come see me on a better day
â€“She just danced awayâ€“â€“And I've grown tired of traveling alone
 â€“Tired of traveling alone
 â€“I've grown tired of traveling alone
â€“Won't you ride with me?â€“â€“I've grown tired of traveling alone
 â€“Tired of traveling alone
 â€“I've grown tired of traveling alone
â€“Won't you ride with me?â€“â€“Won't you ride?
 â€“Won't you ride?
 â€“â€“Paintin the outside lane I'm tired of answerin' to myself
â€“Hard like the rebuilt part I don't know how much it's got left
â€“How much it's got leftâ€“â€“I've grown tired of traveling alone
 â€“Tired of traveling alone
 â€“I've grown tired of traveling alone
â€“Won't you ride with me?â€“â€“I've grown tired of traveling alone
 â€“Tired of traveling alone
 â€“I've grown tired of traveling alone
â€“Won't you ride with me?â€“â€“Won't you ride?
 â€“Won't you ride?
