Interlude

Tidus

Intro x 2
I got eyes in the sky, yeah you know I keep em wit me yeah
I love all my family you know I bring em wit me yeah,
we do this for the future can you tell me what you thinkin at,
we just doin what we want now tell me what you thinkin at

Verse 1

eyes sittin low blowin smoke i be needin that,
need a peace of mind peace of mind i be seekin that,
oh what a time to be alive you really need us back,
oh what a time to bring the mother fuckin freedom back,
keep the bullshit over there where you speakin at,
keep that ho shit over there where you teachin at,
all the way, all the way is probly where i'm reachin at,
bring ma people wit me and their ain't no trophy for that,
oh, and we goin up, never ever slowin up, i can never know enough, we just out here so in love, we just busy blowin up, out here gettin dough n stuff, i know we the chosen ones, i know we the chosen ones.

intro x 2
eyes in the sky, yeah you know I keep em wit me yeah
I love all my family you know I bring em wit me yeah,
we do this for the future can you tell me what you thinkin at,
we just doin what we want now tell me what you thinkin at
