

# 666lb. Bongsession

## Bongzilla

I need to taste your breath  
Every day I need the love you bring  
I just want to live my life  
With you forever by my side  
Never again to feel the pain of life  
Your smoke takes me away  
Always to love the taste of your breath  
Never to be apart, I'll always need you  
I need to taste your breath  
Every day I need the love you bring  
I just want to live my life  
With you forever by my side  
Never again to feel the pain of life  
Your smoke takes me away  
Always to love the taste of your breath  
Never to be apart, I'll always need you  
Yes, I love  
I love you
