

All I Can Do

Savoy Brown

You've gone away
I'll get by somehow
Just right now All I can do is cry
All I can do is cry
I tried to find
Why you said go Now I know
All I can do is cry
All I can do is cry Tell me why
You walked out that way
What can I say All I can do is cry
All I can do is cry I keep searching for an answer
As I sit here in my lonely room
Till I find a reason to keep living All I can do is cry
All I can do is cry
All I can do is cry, yeah I keep searching for an answer
As I sit here in my lonely room
Till I find an reason to keep living All I can do is cry
All I can do is cry
All I can do is cry You've gone away
I'll get by somehow
Just right now All I can do is cry
All I can do is cry I tried to find
Why you said go
Now I know All I can do is cry
All I can do is cry
All I can do is cry
