Skull Session

Savatage

Hungry for love tonight
Taste me I'll taste you
Servant of my delight
Make me goThe look on your face
Skull session
X rated lesson
Skull session
Skull sessionSweet little virgin
Love the way she talks to me
Tied up she gets wild
It's a sinThe look on your face
Skull session
X rated lesson
RightHungry for love tonight
Take all I can give to you
Servant of my delight
Make me goThe look on your face
Skull session
X rated lesson
