Under

Alex Hepburn

Don't bury me
Don't lay me down
Don't say it's over
'Cause that would send me under
Underneath the ground
Don't say those words
I wanna live and your words can murder
Only you can send me under under underI die every time you walk away
Don't leave me alone with me
See, I'm afraidOf the darkness
And my demons
And the voices
Saying nothing's going to be OK
I feel it in my heart
Soul mind that I'm losing
You me
You're abusing every reason
I have left to liveDon't bury me
Don't lay me down
Don't say it's over
'Cause that would send me under
Underneath the ground
Don't say those words
I wanna live and your words can murder
Only you can send me under under underLost trust 21 grams of soul
All the sanity I ever owned gone
But I'm still breathing
Through the thunder
And the fire and the madness
Just to let you shoot me down again
But I'm still breathing
I feel it in my veins skin bones
That I'm losing you me
You're confusing
Every reason I have left to liveDon't bury me
Don't lay me down
Don't say it's over
'Cause that would send me under
Underneath the ground

Don't say those words
I wanna live and your words can murder
Only you can send me under under underChasing you but you don't look back
Words I threw that I can't take back
Reaching out but I can't hold on to you
Chasing you but you don't look back
Words I threw that I can't take back
Reaching out but I can't hold on to youDon't bury me
Don't lay me down
Don't say it's over
'Cause that would send me under
Underneath the ground
Don't say those words
I wanna live and your words can murder
Only you can send me under under under
Only you can send me under, yeah
Under
