

# Breakdown

## Group 1 Crew

They say don't try to fix what i-i-isn't broke  
But I see that you need a fix in your soul  
We, we don't like to play politics, it's a joke  
So we pu-pu-pushin' envelopes, envelopes Ain't nobody stoppin' the music  
Until we fill up the floor  
It's the type of music he created  
So you need to let go, go, go, go, go See the flashin' lights, woah  
Clock is losin' time, woah  
Gotta shake it off, this feelin's takin' off  
'Cause everybody's waiting for the breakdown You can, you can make it, make it  
Happen while we rappin', rappin'  
See the flashin' lights and camera, camera  
So let's have some action You can find me in a black SC goin' over 60  
With the windows down  
Anybody thinkin', ooh who's he? Wit the do-do-dope beat  
Tell me, what's that sound? G1C witta chopped up beat goin' back crazy  
You can see it, see it  
We so, so sick wit' a boom, boom hit, gotta do, do it  
'Cause we need it, need it Ain't nobody stoppin' the music  
Until we fill up the floor  
It's the type of music he created  
So you need to let go, go See the flashin' lights, woah  
Clock is losin' time, woah  
Gotta shake it off, this feelin's takin' off  
'Cause everybody's waiting for the breakdown See the flashin' lights, woah  
Clock is losin' time, woah  
Gotta shake it off, this feelin's takin' off  
'Cause everybody's waiting for the breakdown It's impossible to put a stop on this trio  
And if you haven't heard, make sure that you let someone know  
Get the sunblock 'cause we hot, a unique breed is unlocked  
We on the block 'cause we rock hard like the school of knocks This ain't ya typical, typical group that you  
heard, it's a miracle  
Little bit a punk wit' a whole lotta soul  
That'll bump da bump on ya radio Simmer, simmer down all you haters  
Didn't lose our style, we just got better  
Beat so cold, did my verse like brrr  
Still spiting life so forget what you heard See the flashin' lights, woah  
Clock is losin' time, woah  
Gotta shake it off, this feelin's takin' off

'Cause everybody's waiting for the breakdown  
See the flashin' lights, woah  
Clock is losin' time, woah  
Gotta shake it off, this feelin's takin' off  
'Cause everybody's waiting for the breakdown  
The flashing lights of life  
The clock is losin' time  
Waiting for the breakdown  
Do it, gotta feel free  
Let the music take you away  
'Cause everybody's waiting for the breakdown
