BOA (JDM)

Volbeat

Wash over me like rain
Can't get the hold on it
Just stay for one more day
But your eyes tell me you're afraidlet me proof that I can be
In a life we both believe
No timidity past
Mark my words babe and take my hand
Mark my words babe and take my handWell for a moment all the words are spoken and I feel alone
Ga ga ga, well I love you
Are you falling are you healing, are breaking, leaving in a minute
Well I hate you tooSome words is to be saidThe taste of summer days
Reminds me of a tale
Freeze dried five hours of pain
Drops from her eyes now bring the rainLet me proof that I can be
In a life we both believe
No timidity past
Mark my words babe and take my hand
Mark my words and just take my handWell for a moment all the words are spoken and I feel alone
Ga ga ga, well I love you
Are you falling are you healing, are breaking, leaving in a minute
Well I hate you tooAre you falling are you healing, are breaking, leaving in a minute
Well I hate you tooSome words is to be said
