

Make That Woman Dance

Baha Men

I was at home playing DJ
Jumped on the beat and flew away
Our party was moving out of control
I move to a rhythm I don't know
I see, I see, I see, I see, I see you and me
Are free

Dance, make that woman dance
Make that woman dance
Make that woman dance
Shiggadiggy, Shigadiddy, Shigadiddy, yeah, yeah
She livin' and dance on Nassau Street
She only gets love from the junkanoo beat
The girl is so hot
She be the bomb
She makes me forget what world I'm on
I see, I see, I see, I see, I see you and me
Are free

Dance, make that woman dance
Make that woman dance
Make that woman dance
Shiggadiggy, Shigadiddy, Shigadiddy, yeah, yeah
All the club is jumpin' and everybody's on ya
And I see you on the dance floor and you tell me
why don't you come and stomp your feet along with me
in harmony and it feels good to me and it takes you away, baby.
I see, I see, I see, I see, I see you, me
Are free

Ain't afraid of woman who like to wear Gucci and those Paris Pants, yeah
And a girl who like to wear Victora's Secret say "yeah".
Dance, make that woman dance
Make that woman dance
Make that woman dance
