

# Soul Rebel (Afrodisiac Sound System Remix)

## Bob Marley & The Wailers

I'm a rebel  
Soul rebel  
I'm a capturer  
Soul adventurer See the morning sun, the morning sun  
On the hillside  
If you're not living good yeah, travel wide Said I'm a living man,  
And I've got work to do.  
If you're not happy, children  
Then you must be blue (must be blue, must be blue)  
People say I'm a rebel, let them talk,  
Soul rebel, talk won't bother me.  
I'm a capturer, that's what they say,  
Soul adventurer, night and day  
I'm a rebel (I am a rebel)  
Soul rebel  
Do you hear them lippy  
I'm a capturer, gossip around the corner  
Soul adventurer (how they adventure on me yo) But, see the morning sun  
On the hillside  
Not living good  
Travel wide  
You gotta travel wide  
Said I'm a living man  
I've got work to do  
If you're not happy, then you must be blue I'm a rebel  
Soul rebel  
I'm a capturer  
Soul adventurer  
Do you hear me?  
I'm a rebel (rebel in the morning)  
Soul rebel, rebel at midday time
