One Evening

Feist

The evening was long, my guesses were true

You saw me, see you

That something you said, the timing was right

The pleasure was mineThe time and the place, the look on your face

Sincerest of eyes

If you're ready or not, the state of our hearts
There's no time to takeWhen we started both broken hearted
Not believin', it could begin and end in one evenin'Pa-pa-pa

Pa-pa-pa

Pa-pa-pa

Pa-pa-pa

Pa-pa-pa

Pa-pa-paWe were caught by the light

Held on to the day till it became hours

The minutes went by, the cab is outside

There's no time to takeWhen we parted, movin' on

And believin', it could begin and end in one evenin'When we started both brokenhearted Not believin', it could begin and end in one evenin'When we parted, movin' on

And believin', it could begin and end in one evenin'Pa-pa-pa

Pa-pa-pa

Pa-pa-pa

Pa-pa-pa

Pa-pa-pa

Pa-pa-pa
