

# Up Around the Bend

**Elton John**

There's a place up ahead and I'm going  
Just as fast as my feet can fly  
Come away, come away if you're going  
Leave the sinking ships behind Come on to rise and win  
We're going up around the bend Bring a song and a smile for the banjo  
Better get while the getting's good  
Hitch a ride to the end of the highway  
Where the neon's prime to wood You can ponder perpetual motion  
It's your mind on a crystal day  
Always time for a good conversation  
There's an ear for what you say
