

# Come On Get Higher

Matt Nathanson

I miss the sound of your voice  
And I miss the rush of your skin  
And I miss the still of the silence  
As you breathe out and I breathe in If I could walk on water  
If I could tell you what's next  
Make you believe  
Make you forget So come on, get higher, loosen my lips  
Faith and desire and the swing of your hips  
Just pull me down hard and drown me in love So come on, get higher, loosen my lips  
Faith and desire and the swing of your hips  
Just pull me down hard and drown me in love I miss the sound of your voice  
The loudest thing in my head  
And I ache to remember  
All the violent, sweet, perfect words that you said If I could walk on water  
If I could tell you what's next  
I'd make you believe  
I'd make you forget So come on, get higher, loosen my lips  
Faith and desire and the swing of your hips  
Just pull me down hard and drown me in love So come on, get higher, loosen my lips  
Faith and desire and the swing of your hips  
Just pull me down hard and drown me in love I miss the pull of your heart  
I taste the sparks on your tongue  
And I see angels and devils and God  
When you come on, hold on  
Hold on, hold on, hold on Sing sha la la la  
Sing sha la la la la Come on, get higher, loosen my lips  
Faith and desire and the swing of your hips  
Just pull me down hard and drown me in love So come on, get higher, loosen my lips  
Faith and desire and the swing of your hips  
Pull me down hard and drown me, drown me in love (Come on get higher, loosen my lips)  
It's all wrong  
(Faith and desire and the swing of your hips)  
It's all wrong  
(Pull me down hard)  
It's so right  
(And drown me, drown me in love) Come on get higher  
(Come on get higher, loosen my lips)  
Come on and get higher  
(Faith and desire and the swing of your hips)

Because everything works love  
Everything works in your arms
