What a Little Moonlight Can Do

Peggy Lee

Ooh, what a little moonlight can do
Ooh, what a little moonlight can do for youYou're in love, your heart's aflutter
All day long, you only stutter
'Cause your poor tongue just will not utter
The words, 'I love you'
Ooh, what a little moonlight can doWait a while till a little moonbeam
Comes peepin' through, you'll get bold
Can't resist him, all you'll say
When you have kissed him is
Ooh, what a little moonlight can doOoh, what a little moonlight can do
Ooh, what a little moonlight can do to you
You're in love, your heart's aflutter
All day long, you'll only stutter
'Cause your poor tongue just will not utter
The words, 'I love you'
Ooh, ooh, what a little moonlight can doWait a while till a little moonbeam
Comes peepin' through, you'll get bold
You can't resist him, and all you'll say
When you have kissed him is
Ooh, what a little moonlight will doOoh, what a little moonlight can do
Ooh, what a little moonlight can do for youYou're in love, your heart's aflutter
All day long, you'll only, only stutter
'Cause your poor tongue just will not utter
The words, 'I love you'
Ooh, what a little moonlight can do
Wait a while till a little moonbeam
Comes peepin' through, you'll get bold
Can't resist him and all you'll say
When you have kissed him is
Ooh, what a little moonlight can doOoh, what a little moonlight can do
Ooh, what a little moonlight can doAll you know, you can't resist him
And you'll have to kiss him
Ooh, what a little moonlight can doOh, you'll flutter then you'll stutter
Then you cannot utter the words that
'I love you'Moonlight, it's like a lunar fantasy
What a little moonlight can do for you
For you and for me
