

# Like the Sun

## Stellar Kart

I know the moon is high tonight  
And the earth is far below  
I know you're asking why tonight?  
And the hours are moving slow  
You can't see the reasons  
You don't understand at all  
Like the sun we'll shine  
Like the rain we'll fall  
I'll be there to pick you up  
Anytime you call  
Tomorrow's on it's way  
Night turns into dawn  
As the morning breaks you'll see  
The shadows will be gone  
So hold on  
You say the flame is flickering  
And the fire is growing cold  
Life hasn't turned out like you hoped  
Like you had been told  
You can't see the reasons  
You don't understand at all  
Like the sun we'll shine  
Like the rain we'll fall  
I'll be there to pick you up  
Anytime you call  
Tomorrow's on it's way  
Night turns into dawn  
As the morning breaks you'll see  
The shadows will be gone  
So hold on  
Like the sun we'll shine  
Like the rain we'll fall  
I'll be there to pick you up  
Anytime you call  
Like the sun we'll shine  
Like the rain we'll fall  
I'll be there to pick you up  
Anytime you call  
Tomorrow's on it's way  
Night turns into dawn  
As the morning breaks you'll see  
The shadows will be gone  
So hold on  
Hold on
