

# Louder (Flyte One Remix)

## DJ Fresh

I can't control this feeling  
Something's happening inside me  
Our senses come alive  
The chemistry is building  
It's something that we're feeling  
There's nowhere you can hide It's gonna' get  
It's gonna' get  
It's gonna' get louder We're gonna' get  
We're gonna' get  
We're gonna' get stronger We're gonna' feel  
We're gonna' feel  
We're gonna' feel better You can't tame this energy inside I gotta reach  
I gotta reach  
I gotta reach higher I wanna burn  
I wanna burn  
I burn like a fire Gotta move  
Gotta move  
Gotta move faster You can't tame this energy inside Perpetual emotion  
It's just a ripple in the ocean  
A shadow in the night  
Changes we're making for the better  
We're going through together  
There's nowhere you can hide It's gonna' get  
It's gonna' get  
It's gonna' get louder We're gonna' get  
We're gonna' get  
We're gonna' get stronger We're gonna' feel  
We're gonna' feel  
We're gonna' feel better You can't tame this energy inside I gotta reach  
I gotta reach  
I gotta reach higher I wanna burn  
I wanna burn  
I burn like a fire Gotta move  
Gotta move  
Gotta move faster You can't tame this energy inside It's more than a feeling  
We're building a dream that we've always had clear in our sights  
Watch it ignite as we open our eye  
It's the one way we know to survive  
We're powerfully changing the world

We're reclaiming our unity they can't divide  
They push us around but we're tearing it down  
And we're having the time of our life It's gonna' get  
It's gonna' get  
It's gonna' get louder We're gonna' get  
We're gonna' get  
We're gonna' get stronger We're gonna' feel  
We're gonna' feel  
We're gonna' feel better You can't tame this energy inside I gotta reach  
I gotta reach  
I gotta reach higher I wanna burn  
I wanna burn  
I burn like a fire Gotta move  
Gotta move  
Gotta move faster You can't tame this energy inside Faster  
Louder  
Stronger  
Better Faster  
Louder  
Better You can't tame this energy inside
