I Don't Like It

Pitchshifter

I don't care what you do. Production/destruction, it's nothing new
And I don't care what you say, to die for/to buy for, it's all the same
I don't care if it's 'new and improved' I said I don't like it
I don't care if it's 'life-time guaranteed.'
I don't like itI don't care what you say
I don't care what you say
I don't care what you do
I don't like itJust get in line 'cause it won't be long
Don't waste my time 'cause there's nothing wrong
No need to fight, misunderstood, 'cause you're wrong and I'm right
(And I knew you would)
