

I Don't Like It

Pitchshifter

I don't care what you do. Production/destruction, it's nothing new
And I don't care what you say, to die for/to buy for, it's all the same
I don't care if it's 'new and improved' I said I don't like it
I don't care if it's 'life-time guaranteed.'
I don't like it I don't care what you say
I don't care what you say
I don't care what you do
I don't like it Just get in line 'cause it won't be long
Don't waste my time 'cause there's nothing wrong
No need to fight, misunderstood, 'cause you're wrong and I'm right
(And I knew you would)
