

# Hey Teacher

Louis XIV

You keep on telling me these pretty little lies  
Well, Im just a man and want you instead of the drugs that get me high  
You keep on telling me these pretty little lies  
Well, I, Im just a man and want you instead of the drugs that get me high  
Youre all around me like a freight elevator  
You put things in me and say, "Ill see you later"  
Every time I raise the courage up to talk  
My teacher says go to the board with a piece of chalk  
Ill never talk out of turn again in class  
Will be alright if I see you tonight  
But I feel like a bird in a cage  
For you to notice me, well Id take out a knife  
Suicide right on the stage  
Im like a fish on a hook  
Water splash into the brook  
Well, teacher says shes twice my age  
Hey, teacher could you ease my pain?  
I can only watch you so long  
I can only watch you so long, so long  
You keep on telling me these pretty little lies  
Well, Im just a man and want you instead of the drugs that get me high  
You keep on telling me these pretty little lies  
Well, I, Im just a man and want you instead of the drugs that get me high  
Ill never talk out of turn again in class  
Will be alright if I see you tonight  
Well, I feel like a bird in a cage  
For you to notice me, well Id take out a knife  
Suicide right on the stage  
Im like a fish on a hook  
Water splash into the brook  
Well, teacher says shes twice my age  
Hey, teacher could you ease my pain?  
I can only watch you so long  
I can only watch you so long, so long  
I can only watch you so long  
I can only watch you so long, so long  
Whos your teachers pet?
