The Last Bewitchment

Penumbra

Body lies on the floor
Very sick complexion
Movements drive your lips
No more words and no more breathI can feel my tears
Running on my cheeks
I can feel my reason
Leaving my bodyI can feel spirits
Turning above me
My will is not very powerful
And my consciousness is fading outTo a world of dreams and grief
To the world of no return
With my ultimate forcesTo life I cross the door
I wake up in your arms
But I can't move
Pallid eyes, stare away
Soul jammed, between two worldsA lot of bewitch cries
In an infernal circle
This light I can touch
It's the way of returnThis ligth is going out
To the world of no return
I stand as a wolf
Trying to break the spell
Your soul's in timeLastly your gaze at me
You in your dreams you are lost
And all these silent questions
I will not answer
Cause they suggest your fall
