

# Vienna (2008 Remaster)

Ultravox

We walked in the cold air -  
Freezing breath on the window pain  
Lying waiting A man in the dark in the picture frame  
So mystic and soulful.  
A voice reaching out and a piercing cry It stays with you until  
The feeling is gone  
only you and I  
This means nothing to me This means nothing to me Oh Vienna - The music is weaving -  
Haunting notes pizzicato strings The rhythm is calling  
Alone in the night as the daylight brings a cold empty silence  
The warmth of your hand and a cold grey sky It fades to the distance. The image is gone  
only you and I  
This means nothing to me This means nothing to me Oh Vienna - This means nothing to me This means nothing to  
me Oh Vienna.
