

# Magnetized (Acoustic Version)

## Johnny Hates Jazz

I can see it in your eyes  
You're a spirit I recognize  
Feelings I cannot explain  
And I don't even know your name Do we only live to die  
Or is it that our hearts are Magnetized  
And our worlds collide for a reason  
Do we only live to die  
Or is it that our hearts are Magnetized  
Going round and round like the seasons Have I come to make amends  
Are old enemies now my friends  
And are you here to be my guide  
To heal the wounds that I bear inside Do we only live to die  
Or is it that our hearts are Magnetized  
And our worlds collide for a reason  
Do we only live to die  
Or is it that our hearts are Magnetized  
Going round and round like the seasons Been here many times before  
With a different face from a different shore  
Both here to discover the other again Do we only live to die  
Or is it that our hearts are Magnetized  
And our worlds collide for a reason  
Do we only live to die  
Or is it that our hearts are Magnetized  
Going round and round like the seasons Been here many times before  
With a different face from a different shore  
We've lived many lives before  
Fought on different sides of a hundred wars
