What Do I Know

Linda Davis

Hey, I've been around, I've seen it all
Love is a chain around your heart that holds you down
You're better off runnin' away before it starts
I wanted to chase my dreams away
I thought freedom meant everythingBut hey, hey, what do I know
I'm just the lonely fool that let you go
And now what do I do?
Thought I could live without but what do I knowLook at who I've become, I wanted it all
Oh, but that hasn't happened yet
Look what I've done? I built a wall
In between me and happiness
I had the answers, I made the rules
And I thought I had nothing to loseBut hey, hey what do I know
I'm just the lonely fool that let you go
And now what do I do?
Thought I could live without but what do I know
