

# Black Is The Colour Of My True Loves Heart

## Neverending White Lights

Bless your heart  
And your tired eyes  
And try to keep your strength  
Your life bleeds like the red I wore  
On my lips as skin turned paleTake this breath  
For the lives we waste  
For the hollow souls we own  
Give me hope  
For a restless heart  
Where we'll go no one will follow, closeI swear to god I only fall apart  
I swear to god I only fall apartYou've waited all your life  
To take this from my bloodIndebted to you, indebted to me  
Indebted to god until we bleedThis life will last
