Sacrilege

Otep

Resurrection is for those
Who didn't get it right the first time...Eternal salvation suffers from inflationSinner!Say what you need to save your soul
but don't fuck with me - I'm loosing control
I'm so tired of this - So sick of you
My tongue is battered and bruised from all these attitudesSinner!Teach me the magic of your sacred poems
Conjuring a voice of signs and omens
Prophecies guide the breeze
With syllables, symbols breedBehind the eyes we climb the vine
To sacrifice our wounded minds
these awkward trances seek insanity
I can't save you, cuz I hate meThe lord is my weapon, I see him shoot porn
Woman is a devil, GOD IS A FRAUD
Everyone you knew, everything you've ever done
Suffer for your freedom, RISE AND OVERCOMEThe lord is my weapon, I see him shoot porn
Woman is a devil, GOD IS A FRAUD
Everyone you knew, everything you've ever done
Suffer for your freedom, RISE AND OVERCOMESinner!Say what you need to save your soul
But leave your religion at the doorWe're smoking on my Christmas weed
I'm sick of these weak anarchies
You see me as a place to make a bruise
But in my reality I'm a slave to the muse Fuck these hypocrites, together we'll fight
The tyranny of squares, Screams of the nightThe lord is my weapon, I see him shoot porn
Woman is a devil, GOD IS A FRAUD
Everyone you knew, everything you've ever done
Suffer for your freedom, RISE AND OVERCOMEThe lord is my weapon, I see him shoot porn
Woman is a devil, GOD IS A FRAUD
Everyone you knew, everything you've ever done
Suffer for your freedom, RISE AND OVERCOMEAll you sinners...
-And blasphemers!BURN IN THE PIT!SINNER!SINNER!SINNER!BURN!BURN!BURN!BURN!BURN!The lord is my weapon, I see him shoot porn
Woman is a devil, GOD IS A FRAUD
Everyone you knew, everything you've ever done
Suffer for your freedom, RISE AND OVERCOMEThe lord is my weapon, I see him shoot porn
Woman is a devil, GOD IS A FRAUD
Everyone you knew, everything you've ever done
Suffer for your freedom, RISE AND OVERCOMESAVE ME!SAVE ME!SAVE ME!SAVE ME!SAVE ME!SAVE ME!SAVE ME!SAVE ME!WHY?SALVATION!!
