Even Then

Micah Tyler

On the night when the darks last a little bit longer
When the wind and the storm is a little bit stronger
When the fear in my heart dips a little bit deeper
When my faith to stand gets a little bit weakerWhere could I run to
Where could I goEven when it feels like my world is shaken
Even when I've had all that I can take
I know
You never let me goAnd Even when the waters won't stop rising
Even when I'm caught in the dead of night
I know
No matter how it ends
You're with me even then
When the days up ahead look a little bit brighter
But the grip of the past holds a little bit tighter
I'm reminded your grace never asks for perfection
Oh I'm restored because I'm yours, and I stand forgivenEven when it feels like my world is shaken
Even when I've had all that I can take
I know
You never let me goAnd even when the waters won't stop rising
Even when I'm caught in the dead of night
I know
No matter how it ends
You're with me even then
And even in the middle of a struggle
And even when it's hard to remember
You alone are my defense
When
I'm standing on your promises
And I know
That even in the thick of the battle
And even through the valley of the shadows
You alone are my defense when
I'm standing on your promisesSo where could I run to
Where could I goEven when it feels like my world is shaken
Even when I've had all that I can take
I know
You never let me goAnd Even when the waters won't stop rising
Even when I'm caught in the dead of night
I know

No matter how it ends
You're with me even then
