

# Football

## Greyson Chance

I've been playing football in my head  
I've been patiently waiting for this game to end  
I've been tackling it with my mind  
I've been waiting for you to come around  
I've been waiting for a, for a touchdown  
Whoa! Whoa!  
Bright lights turn up the night,  
But I'm stuck here in the dark  
But I'll be there, but I'll be there  
Bright Lights passing me by  
But I'm stuck here on the words I'll never leave ya  
I'll never leave ya  
And colors fly, colors fly, colors fly...  
oh oh oh  
I've been playing football in my head  
I've been patiently waiting for this game to end  
I've been tackling it in my mind  
I've waited for you to come around  
I've been waiting for a, for a touchdown  
Colors fly, colors fly, colors fly  
You and I, you and I, you and I  
We're forever young and wild  
Colors Fly, colors fly, color fly  
You and I, you and I, you and I  
We're forever young and wild  
I've been playing football in my head  
Oh oh oh I've been trying to make it with my mind  
I've been waiting for you to come around  
I've been waiting for a, for a touchdown  
Whoa! ho! ho!
