Enough Said (feat. The Quantic Soul Orchestra)

Kinny

Give me respect my man I come before you enough said but you ignore ignore ignore me no more sorrow I'm going to sit this one out I shake my hand I shake my head and I'm drained out cuz you ignore ignore ignore me can you see me out there out there on my knees can you see me out there out there on my knees so give me respect my man I come before you enough said but you seem to hate me now you're so drained out I feel tired out imagine it was hurt my pride don't ever break imagine it was her my pride don't ever break you tried to steal it right you tried you tried you failed oh oh oh oh oh oh
