

My Signature Move

Pink

I've got a way
Of making everything a confrontation
And you've got a way
Of bringing out the worst in me
You say it's just if I'm bored
I found a way to make an accusation
I've got a problem with more
So gimme, gimme everything
Stop!
Not my fault, not at all!
I can't help you! What you want?
Get in line! Take a number!
Get you when my song is over.
If you leave it up to me
I'll make a lie the truth
It's true!
And then I'll
Break it up, make it bleed
Tell you that it's you not me
Make a scene at a show
Just because the wind blows
Shoot myself in the foot
To make a point I can't prove
To get it back to you
That's just my signature move
You call me cra-(cray)-zy
And I think it's mean
I just don't like it (like it, like it)
I'm just a sensitive babe (babe)
And you need to please me right (you gotta please me, you better please me right)
You know I said I would change (change)
I did, I went and tried a different outfit (didn't, didn't fit, feel you knowing it)
And if that's not enough, (no)
You won't be riding dirty tonight
Stop!
Not my fault, not at all!
I can't help you! What you want?
Get in line! Take a number!
Get you when my song is over.
If you leave it up to me
I'll make a lie the truth
It's true!
And then I'll
Break it up, make it bleed
Tell you that it's you not me
Make a scene at a show
Just because the wind blows

Shoot myself in the foot
To make a point I can't prove
To get it back to you (yeah)That's just my signature move
(That's just my signature move)
(Yeah, that's my signature move)
(That's just my signature move)I start fights in my dreams
I kick-a-kick off the sheets
I don't apologizeYou wouldn't see it in my eyes
I'm not a good best friend
If there's a rule, I will bend
That makes it trouble for you
It's all I know how to do
I'm not responsib-, stop!
(Haha, yep)!
Not my fault, not at all!
I can't help you! What you want?
Get in line! Take a number!
Get you when my song is over.
If you leave it up to me
I'll make a lie the truth
It's true, (oh)!
And then I'll
Break it up, make it bleed
Tell you that it's you not me
Make a scene at a show
Just because the wind blows
Shoot myself in the foot
To make a point I can't prove
To get it back to you, (yeah)
That's just my signature move
