

Anaconda Charms Grass Snake

Comecon

Pure encharming reconception
of self-vindictive truth
Over-eating expectation
a subregarding sleuth
seems to open for correction
the understudied mind
but it stops at magniloquence
as regulations shine
Slough the truth
slough their news
slough your views
Sentrypetal
centipedal
parsimonotonous choires
Serfs of might might
serve us right
scars of free enterprise
[Repeat]Slough the truth
slough their news
slough your views
Sharelessness conclously proven
world-web-wide retail
Cross-possessive gluey flytrap
scarcely drawn to scale
Eurowaste and bureaucraze
from wall to ferrous veil
