

Rainmaker

The Partridge Family

She came with the rain,
scarlet ribbon in her hair
I never even knew her name,
she just slipped away from me to who knows where
And if it weren't for the rain,
she might still be there

CHORUS:

Rainmaker, does she have to be free?
I guess you know she took the best part of me
Rainmaker, I'll wait endlessly
If there's a way to make her come back to me
Doo, doo....Love was only yesterday and now tomorrow waits in vain
She never promised me she'd stay,
so a stranger to my love she will remain
And I know more than me she loved the rain
CHORUS
Yes, I know now more than me she loved the rain, she
loved the rain
CHORUS
REPEAT AND FADE
