

Love Vigilantes (2015 Remastered Version)

New Order

Oh I've just come
From the land of the sun
From a war that must be won
In the name of truth
With our soldiers so brave
your freedom we will save
With our rifles and grenades
And some help from God
I want to see my family
My wife and child waiting for me
I've got to go home
I've been so alone, you see You just can't believe
The joy I did receive
When I finally got my leave
And I was going home
Oh I flew through the sky
my convictions could not lie
For my country I would die
And I will see it soon
I want to see my family
My wife and child waiting for me
I've got to go home
I've been so alone, you see When I walked through the door
My wife she lay upon the floor
And with tears her eyes were sore
I did not know why
Then I looked into her hand
And I saw the telegram
That said that I was a brave, brave man
But that I was dead
I want to see my family
My wife and child waiting for me
I've got to go home
I've been so alone, you see
