

Don't Let Me Go

[Harry Styles](#)

Now you were standing there, right in front of me
I hold on, it's getting harder to breathe
All of a sudden these lights are blinding me
I never noticed how bright they would be I saw in the corner, there's a photograph
No doubt in my mind it's a picture of you
It lies there alone, in its bed of broken glass
This bed was never made for two I'll keep my eyes wide open
I'll keep my arms wide open Don't let me, Don't let me, Don't let me go
'Cause I'm tired of feelin' alone
Don't let me, Don't let me go
'Cause I'm tired of feelin' alone I promised one day that I'd bring you back a star
I caught one and it burned a hole in my hand, oh
Seems like these days, I watch you from afar
Just trying to make you understand I'll keep my eyes wide open, yeah Don't let me, Don't let me, Don't let me go
'Cause I'm tired of feelin' alone
Don't let me, Don't let me go Don't let me, Don't let me, Don't let me go
'Cause I'm tired of feelin' alone! Don't let me, Don't let me, Don't let me go
'Cause I'm tired of feelin' alone
Don't let me, Don't let me go 'Cause I'm tired of sleepin' alone!
