Keep Me

Lucy Schwartz

Lets take all these stones
Build them up tall
And make it a homeWe'll lay down our love
And whatever comes
Well make it our ownWhen everythings moving
I want you for always, I want you to stay
If others are fading
I want you for always to keep it this wayKeep me, keep meCome lets live like thieves
Stealing our time
As much as we needLive, but not like the rest
Not tied to our desk
Cause thats the way it should beThe light of the morning
The peace in your silence, the touch of your skin
The way that you see me
Straight through the bones like youre looking inKeep me, keep meHow do I, how do I, how do I,
How do I live without
How do I, how do I, how do I,
How do I live withoutKeep, keep, keep, keep, keep, keep me
Keep, keep, keep, keep keep me
Keep, keep, keep, keep, keep me
Keep, keep, keep, keep, keepThe light of the morning, the peace in your silence
The touch of your skin
The way that you see me
Straight through the bones like youre looking in
