

# Love & Liquor

## Masha

If I throw it...  
Will you catch it

Love and Liquor  
Its a deadly combination in my mouth  
I get so bitter  
Cause when I get drunk you're all I think about  
So don't mix Love and Liquor Cause all its gonna do is knock you down  
So don't mix Love and Liquor 'cause you'll only end up in the lost and found

Take it from me now  
Take it from me now

Sober, sober, I should be sober  
When I am I know that its over  
You still haunt my mind

Daily, Nightly, drinking and crying  
Darkest places I've been in a while  
These Memories Won't subside

Now I realize...

Love and Liquor is a deadly combination in my mouth  
I get so bitter,  
'Cause when I get drunk you're all I think about  
So don't mix Love and Liquor 'cause all its gonna do is knock you down  
So don't mix Love and Liquor 'cause you'll only end up in the lost and found

Take it from me now  
Take it from me now

Thought that it would make me numb  
so I don't have to remember  
so tell me why the more I'm drunk  
is the more that I remember

(I'm trying to hold it together but..)

Love and Liquor its a deadly combination in my mouth

I get so bitter,  
Cause when I get drunk you're all I think about

So don't mix Love and Liquor 'cause all its gonna do is knock you down.  
So don't mix Love and Liquor 'cause you'll only end up in the lost and found

Take it from me now  
Take it from me now  
Take it from me now  
Take it from me now  
Take it from me now  
Take it from me now
