

# My Dad Says That's For Pussies

## Bloodhound Gang

Fuck Guns 'N' Roses without Slash  
A real man never uses hair product unless he's black  
Toilet Paper is for queers  
Gargling after a blowjob is how they make light beer  
You can't have no fun with an unloaded gun  
My Dad says that's for pussies  
Ain't gonna lift the seat to whizz  
Just 'cos it's called Men's Gymnastics doesn't mean it is  
This Fairtrade coffee tastes like gay  
Now seems like a good time to out Matthew McConaughey  
You can't have no fun with an unloaded gun  
My Dad says that's for pussies  
Libraries, back-up parachutes and the Versailles Treaty  
Seatbelts, hurricane warnings and anti-freeze  
Rogaine, helmets, CPR and Kenny G  
Wheelchairs, Ghandi, rehab, braille and harmonies  
John Wayne would never use a surge protector!  
You can't have no fun with an unloaded gun  
My Dad says that's for pussies  
You can't have no fun with an unloaded gun  
My Dad says that's for pussies  
You can't have no fun with an unloaded gun  
My Dad says, my Dad says  
My Dad says that's for pussies
