Apathy's Last Kiss

Smashing Pumpkins

What's the matter
What's the difference
You'll feel better if you lie
With the stars in your eyesHoney, honey
Where's my baby
She know better than to cry
With the stars in her eyesThere is
No safe place to go
I should know the lame
And the droll have needs
To let their feelings showWhat's the matter
What's the difference
What's the question
You'll feel better if you lie
With the stars in your eyesThere is
No safe place to go
I should know the lame
And the droll have needs
To let their feelings showBury your heart in a hole
Bury your heart in a
Bury your heart in a
Bury your heart in a hole
