## **Awakening**

## **Seven Places**

Jesus Christ, our Savior who is the propitiation

The satisfaction if you would, for our sins

And not just for our sins but for the sins of the whole world

The blood of Jesus Christ flowed

From seven placesThe first place He bleed from

The blood that poured from His head that day

The blood from the thorns in His skull

Cleanse you from thoughts, the blood that was on His faceHe has covered the things

That you may not want to face up to

Because of what you've seen or heardKnow this, the blood flowed for you

"Yeah, but Jon, you just don't know I've backed away

From the Lord, I've turned my back on him"Well, they took a flagellum and they beat His back

And blood flowed from His back

It reduced to hamburger meat that day

His back was beaten so brutally And if you've turned your back on Him

And walked away from Him, know this

The blood, the blood that poured from His back

Cleanses you sprinkles you"Yeah but Jon, you just don't

Know what I've done with these hands"

Those hands were pierced

Those hands were pinned to the treeSpikes driven through those hands

Where He bled to cleanse you and cleanse me

From the stuff that we've handled

That we ought not to have handled

The stuff that we've done that we

Ought not to have doneHey, understand, the blood flowed from His hand

"Yeah but it's stuff that's inside of me Jon

It's just things that I feel in my gut

I have bitterness towards them and I'm angry with her"Jesus wants you to know that blood flowed from His side

When they thrust that spear into Him

When He hung on the cross"Feet that walked where I ought not to have walked"

Blood flowed from His feet too

When the spike pinned Him through the feet

To the cross of CalvaryAnd now I realize things that I can't face up to

Thoughts that I've had that are not right, not good, not true

Bitterness inside of me

Stuff I've touched that I ought not to touch

Places I've gone where I ought not to have walked

And I look and I realize the seven-foldFlowing of the blood of Christ cleanses me in every area

From all sin and I'm free and I'm forgiven by the blood
What can wash away my sin, nothing but the blood of Jesus
Seven times perfection, seven places
That's what He went through for me and for you
