

I Won't Let You Go (feat. Vince Gill)

David Nail

I know better
still wish it was easier
back and forth the up and down caught up in the moment
the words start flying
we go round and round and round
no sign of a finish line
never reveal last time I know that this is hard to do
your loving makes me loving you
so as long as we felt brand new,
I won't let you go
I wish I knew the reasons why
the _?_ we only falsify
no matter who is wrong or right
I won't let you go
I won't ever let you go
you say when it's over
can't go on any longer
trying to be the perfect wife so sick of tomorrow
will never change this,
hell I even hate myself sometimes
but I've sworn since my _?_ day
I swear that will never change I know that this is hard to do
your loving makes me loving you
so long as we felt brand new,
I won't let you go
I wish I knew the reasons why
the _?_ we only falsify
no matter who is wrong or right
I won't let you go
I won't ever let you go
I know that this is hard to do
your loving makes me loving you
so as long as we felt brand new,
I won't let you go I wish I knew the reasons why
the _?_ we only falsify
no matter who is wrong or right
I won't let you go
I won't ever let you go I know better
still wish it was easier

back and forth the up and down
