

Juxtaposed With U

Super Furry Animals

It's easy when you know how
To get along without biff, bang, pow
And if I see that you're fed up
I'll stop and give you a leg up
Overpriced unreal estate
Surreal estate
The highest price they've hit to date
Creating new divides and tension
You've got to tolerate
All those people that you hate
I'm not in love with you
But I won't hold that against you
You've got to tolerate
Some of those people that you hate
I'm not in love with you
But I won't hold that against you
This is a tale of two situations
Mutual appreciation
Away from narrow preconception
Avoiding conflict, hypertension
Non-phobic word aerobic
This was my domain
Till someone stole my name
You've got to tolerate
All those people that you hate
I'm not in love with you
But I won't hold that against you
You've got to tolerate
Some of those people that you hate
I'm not in love with you
But I won't hold that against you
Let's get juxtaposed, juxtaposed
Just suppose I juxtaposed with u
Let's get juxtaposed, juxtaposed
Just suppose I juxtaposed with u
Let's get juxtaposed, juxtaposed
Just suppose I juxtaposed with u
Let's get juxtaposed, juxtaposed
Just suppose I juxtaposed with u
You've got to tolerate
All those people that you hate
I'm not in love with you
But I won't hold that against you
You've got to tolerate
Some of those people that you hate
I'm not in love with you
But I won't hold that against you
Let's get juxtaposed
