

Shoot the Dog

George Michael

GTI, Hot Shot

He parks it there, just to piss me off

Bullyboy, gonna show ya who's tough

I'm gonna shoot the dog, I'm gonna shoot the dog It's party time, everyday

I spent Saturday night on Novocaine

Called the pigs, but nobody came

I'm gonna shoot the dog, I'm gonna shoot the dog

(Come on ladies) Nine, nine, nine gettin' jiggy

People did you see that fire in the city?

It's like we're fresh out of democratic

Gotta get yourself a little something semi-automatic, yeah That's why I'm always gettin' stoned, yeah

That's why I'm out there havin' fun again

Good puppy, good puppy

Rolling on over Mustapha, Mazeltov

The Gaza Boys, All that holy stuff

I got the feelin' when it all goes off

They're gonna shoot the dog, they're gonna shoot the dog So, Cherie my dear

Could you leave the way clear for sex tonight?

Tell him "Tony Tony Tony, I know that you are horny

But there's somethin' 'bout that Bush ain't right" Nine, nine, nine gettin' jiggy

People did you see that fire in the city?

It's like we're fresh out of democratic

Gotta get yourself a little something semi-automatic, yeah That's why I'm always gettin' stoned, yeah

That's why I'm out there havin' fun again

Good puppy, good puppy

Rolling on over The Ayatollah's gettin' bombed, yeah

See Sergeant Bilko having fun again

Good puppy, good puppy

Rolling on over for The Man I believe, I believe what the old man said

Though I know that there's no lord above

I believe in me, I believe in you

And you know I believe in love I believe in truth though I lie a lot

I feel the pain from the push and shove

No matter what you put me through

I'll still believe in love and I say Cherie baby, spliff up

I wanna kick back mama

And watch the world cup with ya baby

Yeah, that's right! We're getting freaky tonight, stay with me tonight

Let's have some fun while Tony's stateside

It's gonna be alright, it's gonna be alright
See Tony dancing with Dubya, don't you wanna know why?
