

The Best You Never Had

Leona Lewis

I was so in love with you
There was nothing I could do
Wouldn't give me the time of day
Now you wanna be with me
You say you wanna be with me You said I was the best
Gave your love out to the rest
There was nothing I could say
But now it's going good for me
You say you wanna be with me
Now Yeah you're telling me I am where it's at
But I ain't having none of that Because I told you, you would live to regret it
Now I don't wanna make you feel bad
But when it comes to me just forget it
I'll be the best you never had
You put me through so many emotions
Now baby it's your turn for that
Cause in your empty heart I have left a mark
The best you never had No, No, No You saw me as a friend
Baby I don't want revenge
But if you must know the truth
What you didn't see in me
That's what you'll never be now
When you're telling me I always was the one
I see a desperation Because I told you, you would live to regret it
Now I don't wanna make you feel bad
But when it comes to me just forget it
I'll be the best you never had
You put me through so many emotions
Now baby it's your turn for that
Cause in your empty heart I have left a mark
The best you never had Back rubs
Good love
My stuff
That's what you missed out on
My touch
So much we could've had
And baby
You miss
My kiss

My lips
The love I had for you
Also so long, baby don't it make you sad Because I told you, you would live to regret it
Now I don't wanna make you feel bad
But when it comes to me just forget it
I'll be the best you never had
You put me through so many emotions
Now baby it's your turn for that
Cause in your empty heart I have left a mark
The best you never had Because I told you, you would live to regret it
Now I don't wanna make you feel bad
But when it comes to me just forget it
I'll be the best you never had
You put me through so many emotions
Now baby it's your turn for that
Cause in your empty heart I have left a mark
The best you never had Well I will always be the best you never had The best you never had
