

# Animal Skin

## Fangclub

Under  
Your wing  
I've been waiting  
To let  
You in I love  
The dare  
Hesitating  
I do  
Adore  
That sinking feeling Cover me in  
Your animal skin  
Bleeding me out  
I'm letting you in  
Your tidal wave  
Washing over  
I want to taste It keeps me safe  
Slow and steady  
My mind erased  
My body ready Cover me in  
Your animal skin  
Bleeding me out  
I'm letting you in  
Follow me down  
Further within  
Cover me in  
Your animal skin  
Cover me in  
Your animal skin  
Bleeding me out  
I'm letting you in  
Follow me down  
Further within  
Cover me in  
Your animal skin
