

Boogie Back To Texas

Asleep At the Wheel

Been gone - so long, I can't wait to get back home
Home to the Lone Star State, another day I just can't wait
Look out boys, I'm a-headed your way
I got a mind that wonders in a '57 Chevrolet
Hold on tight, I got a licence to fly
With the pedal to the metal watch me roll on by
Wanna boogie back to Texas ? boogie back to Texas
Boogie back to Texas ? boogie back to Texas
We're gonna boogie back to Texas, eight beats to the mile
Rollin' out-a New York, philadelphia
Pittsburg wheelin', West-Virginia all the way
I'm gonna make it to Kentucky
Gonna make it by the mornin' If I'm fast an' if I'm lucky
Hold on tight, I'm a-homeward bound
Gonna boogie back to Austin, back to my hometown
Boogie back to Texas ? boogie back to Texas
Boogie back to Texas ? boogie back to Texas
We're gonna boogie back to Texas, eight beats to the mile
Well, state line slammin' me
Oklahoma city's just a memory
Forth Worth, Dallas, I roll on by 50 miles
Clear the roads, I'm a-headin' that way
Gonna boogie back to Texas 'cross the U S of A
Boogie back to Texas ? boogie back to Texas
Boogie back to Texas ? boogie back to Texas
We're gonna boogie back to Texas, eight beats to the mile
We're gonna boogie back to Texas, eight beats to the
mile
Can't you see I'm on my way ? Boogie
