

# It Doesn't Matter Any More

[Paul Anka](#)

There you go and baby here am I  
Well you left me here so I could sit and cry  
Well golly gee what have you done to me  
Well I guess it doesn't matter any more

Do you remember baby last September  
How you held me tight each and every night  
Well whoops a daisy how you drove me crazy  
Well I guess it doesn't matter any more

There's no use me a crying  
I've done every thing and now I'm sick of trying  
I've thrown away my nights and wasted all my days  
Over you

Now you go your way and I'll go mine  
Now and forever till the end of time  
I'll find somebody new and baby  
We'll say we're through  
And you won't matter any more
