Music From Another Room

the Senators

Oh, it felt just like the lights all turned on
And you stood right in front of me, Love
Saw what Id missed all along
While I was singing to music playing from another room
All stumbling on the words I barely know
Wasting my breath on everything but youEverything but youIt felt like it was Halloween
And I was chasing after Norma Jean
Your white dress it was billowing
As I ran behind my mask
Love, Ill stop my reckless thoughts
I didnt aim em but they hit your heart
All spinning like a gambling top
I bet that all my waking thoughts end up on youNowhere else but youI ran right by an open door
So I spent the night out in the cold
Wishing it was you who kept me warm
That window dont close
Because, Love, Ill chase my wayward steps
Back to that summer day you said
That I could find you in square one again
Where Id tell you theres no one else but youNo one else but you
