

# From a Lover to a Friend

[Paul McCartney](#)

And when the time comes 'round, we will be duty bound  
To tell the truth of what we've seen  
And what we haven't found, will not be going down  
Despite too easy ride to see  
From a lover to a friend, take your own advice  
Let me love again  
Now, that you turned out to be, someone I can trust  
Someone I believe  
How can I walk when I can't find a way?  
I have a dilemma  
All I want it is to tell me  
You're gonna take it away  
From a lover to a friend, take your own advice  
Let me love again  
Now, that you turned out to be, someone I can trust  
Someone I believe  
And what we haven't found  
Will not be going down  
Despite too easy ride to see  
From a lover to a friend, you turned out to be  
Someone I believe  
From a lover to a friend, take your own advice  
Let me love again  
How can I walk when I can't find a way?  
I have a dilemma  
All I want it is to tell me  
You're gonna take it away  
From a lover to a friend  
From a lover to a friend  
From a lover to a friend  
Let me love again
